Professional telephone answering team to act as an extension of your business.

“I moved into Gray Office Park in 2014 and from day one I have received a warm welcome. Gray Office Park was and still is a hub of activity. Under one roof, I have found what I have always been looking for: a fully serviced office space, with phone answering, office facilities, canteen and a lot of interesting and like-minded people. It is a potent combination to do business in, to flourish and to grow a business: it is as simple as unique. It is my pleasure to write this testimonial and I hope I will write a few more in the coming years.”
